70 WEEKS OF DANIEL

The diagram illustrates the 70-week prophecy of Daniel. It features a horizontal timeline bar. The bar is divided into two main sections: a long grey section representing 483 years (or 69 weeks) and a short red section representing 7 years (or 1 week). A vertical red line marks the end of the red section, which is labeled 'PALM SUNDAY'. The background of the image is a dark, forested area with a body of water reflecting the trees.
