HERE'S HOW WINNING THE LOTTERY MAKES YOU MISERABLE

JANUARY 12, 2016

TIME.COM

The image features a central horizontal banner with a dark, textured background, possibly leather. The banner is set against a background of a bright, hazy sky with a sun rising over distant mountains. The scene is framed by a dark, textured archway that resembles a cave entrance or a stone arch. The overall color palette is dominated by warm, golden-yellow tones from the sun and sky, contrasting with the dark, earthy tones of the arch and banner.
