ACTIVATION // Prophetic UNO: Grab some UNO cards (a few of each color) and place them in the middle of the group. Have your students take turns going around the circle turning over the next card. Follow the instructions (below) as to what to do with that particular color card. This exercise is best with groups of 6-8 students.

Color Instructions:

RED – you give a prophetic word to the person on your left about their financial situation

GREEN – you give a prophetic word to the person on your right about their relationship with someone close to them

BLUE – you give a prophetic word to the person opposite about something that concerns them

YELLOW – you choose who to give a prophetic word to in the group about their career/employment/job

DRAW 2 – give any 2 people in the group a prophetic word about their identity

DRAW 4 – choose 4 people to give you a prophetic word

WILD CARD – choose whether you give a prophetic word to someone about their destiny or choose someone to give you one about your destiny

[STORE.THERESAEDMON.COM/PAGES/ABOUT](https://store.theresadedmon.com/pages/about)

I have been the Creative Arts Director at Bethel Church and The Bethel School of Supernatural Ministry in Redding, California since 2003, in which I equip, empower, and activate others to communicate Heaven's perspective through their creative expressions, so that they can impact the world around them in positive ways, as I have experienced.

I invite you to receive a spiritual impartation of the imprint of Heaven as you place one of the art pieces in a prominent area of your home or office, or as you sip a cup of tea or coffee.
